CAMPING AND RV RESERVATIONS

As the festival continues into the evening, friends, teams and families head to campsites around Laguna Seca to camp, cook together and talk about the day's adventures.

If tent camping is not your thing, it's possible to reserve an RV and enjoy the starry nights all the same. You can pick up your RV in San Jose, or have it delivered fully equipped right to your campsite! For more information and reservations visit www.familyrv.com or call 1-800-201-1991.

With thousands descending on Monterey for the long weekend, booking your plans as soon as possible is recommended.
